

The RIVER Fort Smith Project Downtown Riverfront Development

Fort Smith, Arkansas

The combined capabilities of Cushman & Wakefield, National Sports Services, and Training, Resources & Consulting are delivering a Riverfront Opportunity Analysis for the City of Fort Smith. This analysis will provide research data to determine the economic potential of the riverfront land opportunity and will identify the possible interests, partnerships, and the integration of qualified participants of what can become a Premier Riverfront Destination development.

Fort Smith Partners are:

The City of Fort Smith

The Westphal Group

Greater Fort Smith Regional Chamber

15455 Dallas Parkway
Suite 800
Addison, Texas 75001
